

October 31, 2005

TO: Flagstaff Region Advisory Committee Members, Interested Parties
FROM: John Titus, Plan Coordinator, Department of Conservation, Bureau of Parks and Lands
RE: Flagstaff Region Advisory Committee Meeting

The first meeting of the Flagstaff Region Advisory Committee has been scheduled for Tuesday November 15, 6:00 – 8:30 p.m., North Dining Hall at the Olsen Student Center on the University of Maine-Farmington Campus. The purpose of this meeting is to review the enclosed Preliminary Planning Document (Preplan) for the Bureau's Reserved Land properties within the Flagstaff Region management plan area. A Power Point presentation at the meeting will help guide the discussion.

Notes from the Public Scoping Session held last March in Farmington are enclosed, along with current list Advisory Committee members and staff.

The Preplan serves several functions; it provides a basic outline for development of the management plan, outlines components of the planning process; provides information on the important resources on the properties within the plan area, and summarizes the management issues needing to be addressed in the plan.

Members of the general public are welcome to attend; however, the meeting agenda will be focused primarily on discussions with the Committee. The deadline for providing written comments on the enclosed documents is Friday, December 16, 2005.

Feel free to contact me with any questions or comments you might have. I can be reached at john.titus@maine.gov, by regular mail at Bureau of Parks and Lands, 22 SHS, Augusta, Maine, 04333, by telephone at 207-287-4916, or by fax at 207-287-6170.

We look forward to seeing you on November 15th.
